

EDUCATION DEPARTMENT[281]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 256.7(5), the State Board of Education hereby proposes to amend Chapter 68, “Iowa Public Charter Schools,” Iowa Administrative Code.

Upon initial enactment of Iowa’s Charter Schools Act (Iowa Code chapter 256F) in 2003, Chapter 68 was adopted in September 2003. There are presently fewer than ten charters. 2010 Iowa Acts, Senate File 2033, added the concept of innovation zone schools to Iowa Code chapter 256F. An innovation zone school is similar to a charter school, but a charter school is a public attendance center chartered and governed by the local school board of the school district in which the charter school is located, whereas an innovation zone school is a public attendance center established by a consortium that must include at least two school districts and an area education agency.

Items 1 through 7, 13, and 16 reflect the addition of language pertaining to innovation zone schools, necessitated by the enactment of 2010 Iowa Acts, Senate File 2033.

In Item 8, the amendment to the number of points awarded is to emphasize that innovation is of great importance to the State Board.

The proposed amendment in Item 9 reflects actual practice. Because the State Board does not meet every month, it is not always possible to meet the existing 60-day deadline. On the other hand, actual practice is for the Department to give notice to applicants of the State Board’s decision about a charter application well within 5 days.

In Item 10, proposed language is added to implement 2010 Iowa Acts, Senate File 2033. Similar language is added in Item 15.

The amendment in Item 11 is proposed to correct a misstatement of the statute. Pursuant to Iowa Code chapter 290, only an affected student or parent of a minor affected student may invoke the appeal procedure in that chapter.

Item 15 includes the proposed rules for proposal of innovation zone schools by innovation zone consortia, approval and review process of the schools, and process for renewal or termination of the schools.

An agencywide waiver provision is provided in 281—Chapter 4.

Interested individuals may make written comments on the proposed amendments on or before September 14, 2010, at 4:30 p.m. Comments on the proposed amendments should be directed to Carol Greta, Office of the Director, Iowa Department of Education, Second Floor, Grimes State Office Building, Des Moines, Iowa 50319-0146; telephone (515)281-8661; E-mail carol.greta@iowa.gov; or fax (515)281-4122.

A public hearing will be held on September 14, 2010, from 1 to 2 p.m. in the State Board Room, Second Floor, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa, at which time persons may present their views either orally or in writing. Any persons who intend to attend the public hearing and have special requirements, such as those related to hearing or mobility impairments, should contact the Department of Education by calling (515)281-5296 and advise of their specific needs.

These amendments are intended to implement Iowa Code chapter 256F as amended by 2010 Iowa Acts, Senate File 2033.

Upon receiving a timely written request for a hearing, the state board shall give reasonable notice to the consortium of the hearing date. The state board shall conduct an informal hearing before taking final action. Final action to revoke a contract shall be taken in a manner least disruptive to the students enrolled in the innovation zone school. The state board shall take final action to revoke or approve continuation of a contract by the last day of classes in the school year. If the final action to revoke a contract under Iowa Code section 256F.8 as amended by 2010 Iowa Acts, Senate File 2033, section 19, occurs prior to the last day of classes in the school year, an innovation zone school student may enroll in the student's resident district.
